

Health Ethics Article Packages

Through an agreement with Access Copyright, the Provincial Health Ethics Network (PHEN) has created these packages of relevant and timely articles as educational resources on current issues in health ethics. Please indicate below which article package(s) you would like, how many of each you wish to receive, and complete the payment information.

For information about the articles included in each package, please visit www.phen.ab.ca/articlepackages

Please note that each article package costs \$15.00, including shipping and handling.
